

# Technicians Training Cluster

## January 2018

www.cleapss.org.uk

Tel: 01895 251496

This programme is designed for our overseas members and comprises a number of CLEAPSS courses run over four consecutive days. The courses are primarily intended for technicians (although some may also be useful for teachers) and are held at the CLEAPSS office in Uxbridge, London.

Locally based CLEAPSS members may also be interested in some or all of these courses

<p>Tuesday, 30 January 2018</p>	<p><b>Safety Inspection of Autoclaves, Pressure Cookers &amp; Model Steam Engines</b> This course is aimed at the person in a school who has been asked to carry out the examination of pressure vessels to ensure they are safe to use under the Pressure Systems Safety Regulations (2000).</p>
<p>Wednesday, 31 January 2018</p>	<p><b>Supporting Safe &amp; Successful Classroom Chemistry</b> Explore and get hands-on experience of a wide range of Chemistry demonstrations and student practicals. You will also consider how best to prepare and present them to support effective teaching and learning</p>
<p>Thursday, 1 February 2018</p>	<p><b>Safe and successful classroom Physics</b> This course is designed to enable secondary school science laboratory technicians to be more confident in supporting the teaching of practical physics. This course assumes a basic level of experience in physics.</p>
<p>Friday, 2 February 2018</p>	<p><b>Don't buy it make it!</b> This course gives participants the opportunity to make a selection of items featured in our Make-it guides. They will gain experience in working with glass, soldering, using hand tools and working with different materials such as wood, plastic and aluminum sheet.</p>

You can enrol for one or more courses, the fees for CLEAPSS members are as follows:-

One course	£125	Two courses	£240
Three courses	£335	Four courses	£420

**Location:** CLEAPSS, The Gardiner Building, Brunel Science Park, Kingston Lane, Uxbridge, UB8 3PQ
